

A thrilling time  
by the sea

# L'Àmfora

**Catalonia,  
a jewel just waiting  
to be discovered,  
whatever the season.**

Catalonia is a painting in tangy and briny colours.

With its wild character, it exudes authenticity, it is a child of the sun and the Mediterranean.

Imagine the delightful houses, a mixture of white and azure reflecting the silvery rays of the sun...

Here, in Catalonia on the Costa Brava, L'Àmfora awaits you. L'Àmfora, with the sea and the beaches of Sant Pere Pescador, is the ideal refuge for lovers of Catalonia. A dream climate for relaxation, night-time festivities and invincible good humour, just what you need for your holiday. Welcome to Catalonia, Welcome to L'Àmfora.

**Fun and spontaneity are second nature  
in Spain. Come and taste its generosity.  
Here, Catalonia welcomes  
you with open arms.**

## **Relax from April to September.**

As soon as the fine weather arrives, everyone at L'Àmfora is waiting to welcome you for a week-end, a short stay or a long holiday. Open spaces, sport and leisure activities are waiting for you and the whole L'Àmfora team are on the spot to tend to your every need.

## **Divide your time between leisure and fun**

Relax in the sun, swim, dive, jump into the fresh-water swimming pool or the warm calm waters of the Mediterranean. Enjoy the specialties of Catalonia with your family or friends, join in the night time entertainment organised by L'Àmfora. Here everything is fun. Have a good time, dance... This is what holidays are all about.

## **A land for children.**

They won't know where to start: from the mini-club (from 4 years old) to the junior club (from 8 years old), our team of professional youth leaders offer them a wide variety of activities, not forgetting the joys of the beach and games in the swimming pool and on the slides.

## **Enjoy the open space.**

At L'Àmfora, everything is done to make your stay as easy and pleasant as possible. Plots of 90 to 180m<sup>2</sup> separated by hedges, some with their own sanitary facilities, well kept open alleys mainly for walking or cycling, leading directly to a fine, sandy beach. This means that children enjoy a completely safe holiday, much to the satisfaction of their parents.
