

Prepare your stay at Amfora

General

Wearing a bracelet is mandatory inside the estate to access all amenities. If you lose it, you'll have to pay 20 euros.

In high season Visits are not allowed. (Check dates and rates at reception).

Maximum authorized speed in the camping: 10 km/hour (6 mph) for cars.

Electric scooters are not allowed.

From midnight to 7 am there must be absolute silence.

The site's direction is not responsible for theft, accidents and other damages. Safes are available at the reception.

The use of barbecues will not be prohibited if the interior department of the generalitat (PLAN ALFA) allows it, as long as the weather conditions, at the discretion of the campsite, are favorable.

Dogs must be leashed in the pitches and must be on a leash. You must have the certificate of vaccination and civil liability insurance. The use of feces bags inside the enclosure is mandatory. Dogs are accepted on the pitches, in the Sunny Dog, Blue Dog, Especial Dog mobile home and in the urbanization apartments (maximum 2 small ones or 1 large one.).

The reception is open from 8am – 21pm (until 22h high season).

Our security team at the gate will give you a helping hand after that time.

Between 24h and 7h it is not allowed to drive a car or motor vehicle inside the campsite.

The night guards will let you in until midnight. Total silence from midnight to 07.00.

Minors unaccompanied by an adult are not allowed on the campsite.

WIFI is available on the campsite. You can consult the prices here and upon arrival at reception.

To avoid disturbance to neighboring pitches, it is mandatory to place the air conditioners in front of the motorhome or caravan.

Accommodations

ARRIVAL : Please check your accommodation's general condition and inventory as soon as you arrive. In case of any problem, please warn the reception desk within 8 hours not to be held responsible for any damage.

DEPARTURE : Accommodation must be emptied before 10.00, otherwise an extra day will be charged.

It is prohibited to put a tent on the plot of your accommodation, put up an inflatable pool and charge the electric car on the plot.

Pitches

ARRIVAL : Do not spill used waters on the pitches. Manual or automatic chemical toilets (Camperclean) are available. We only accept transpirable mats and plastic to keep the grass as unspoiled as possible. Respect the assigned plot number, otherwise you will have to move to the assigned number.

DEPARTURE : 100 m2 pitches, 100m2 with sewage and 70m2, must be left before noon, otherwise an extra day will be charged. Pitches with individual toilets must be left before 11.00, otherwise an extra day will be charged. Please leave camping pitches clean and in a good condition.

It is prohibited to put a tent on the plot of your accommodation, put up an inflatable pool and charge the electric car on the plot.
